YORK HOME OFFERS INCOME-PRODUCING 2-BEDROOM APARTMENT in a detached building! The single-family main house boasts 13 rooms, 3968 sf and a 2-car over-sized 24' x 30' finished garage. The 2nd building features a legal 900 sf income-producing 2-bedroom, 2nd level apartment with its own heat and electric and was finished in 2015. Additionally, this building features a large private office on the first level where you can work from home. It also boasts a 3-car radiant-heated garage and has a permitted in-home occupation use. Just a short ways up the road, the main house has been recently updated including a new efficient multi-zone propane heating system, maintenance-free decks, driveway seal coating, and garage doors with auto openers. There is also new interior paint, appliances, flooring, lighting, electrical and roof. Other amenities include a new Caldera hot tub and well-maintained 24' above ground pool with composite deck with a new liner and filter system and separate shed for storing away all your pool items at the end of the season. Great room features 14 windows, a vaulted ceiling and a gas fireplace with stone surround. Relax in the 3-season sunroom, toast marshmallows around your bluestone fire pit area, or entertain on the 12' x 34' rear deck. Walk out lower level provides a family room with a gas fireplace and sliders out to a cover patio where you can enjoy a water feature and colorful surroundings.
